With the adopt ceremony, NSS volunteers quickly began their preparation for the Awareness Program on new variant of **Covid-19 BF-7** and marched in a rally throughout the village distributing masks and sanitizers to the villagers. After completion of the rally volunteers returned to the camp and after finishing lunch quickly held a meeting for preparation of next activities with Program Officer. Tasks were listed and divided among the volunteers.

#### NSS CAMP DAY-2. 25.12.2022

The second day of the camp began with Yoga class at 6 o'clock in the morning. All the volunteers actively participated in Yoga.

On this day we hold the Swachha Bharat Program was held with volunteers. The NSS volunteers cleaned the entire village, collected the waste materials like water packet, polythenes ,paper, thermocol, rubber,

metals and other harmful materials dumped and burned it from end to end in the village. After completion of program the participants came back to the camp and had lunch and took rest.

#### NSS CAMP DAY-3. 26.12.2022

The day began with Yoga and meditation. After breakfast the PO prepared the volunteers for another Swachha Bharat program to clean the periphery of Jhadaswar Temple. It is situated near the adopted village. This temple is famous for its location and natural scenery. Everyday a large number of devotees and tourists visit the temple from different parts of Odisha. Our NSS volunteers collected the plastic bottles, polythenes, stationeries ,paper, thermocol, rubber, metals, cloths etc. nearby the temple area and burned it and also a street play was performed by the volunteers to clean the temple area. The street play was "SWACHHA HI SEVA" – clean is service. After completion of cleaning we came back to the camp and had lunch and took rest for sometimes. This day a number of faculty members and non-teaching staff members attended the camp and encouraged the volunteers .

#### NSS CAMP DAY-4. 27.12.2022

The day began with Yoga and meditation. The Programme Officer and volunteers had prepared for socio-economic survey in the adopted village. After breakfast the team was divided into four groups. Each group was assigned the work of socio-economic survey of a particular street. The volunteers interacted with villagers, old men and women about their problems and listed out it.

The village old men and women, poor, rich person whole heartedly cooperated with our volunteers and shared their problems. We had planned to present it before the government stakeholders and Sarpanch of this Panchayat and Chairman of Ganjam block. It took more time to cover the whole village. After finishing the survey work , the team came back to the camp, had lunch and took rest. In the same day at evening cultural competition was held among the volunteers like dancing, singing and acting guided by Program Officer Dr. Susanta Kumar Sethi in a disciplined way. After completion of cultural activities had dinner and went to bed.

#### NSS CAMP DAY-5. 28.12.2022

On another vibrant day the team made itself ready for a series of events after having session of sound yoga and meditation to relax their minds. After having breakfast the teams started a rally march throughout the village to create awareness on female infanticide with own created different slogans like

"SISUKANYA ATE AMARI RATNA BADA HELE NIA AMARI JATNA"

*"JHIA NUHAI GHARA RA BHARA SE HI SRUSTI RA ADHARA"* 

" KANYA ANE GHARE SUKHA SAMRUDDHA KANYA BHRUNA HATYA KU KARA VIRODHA"

*"JHIA ATAI GHARA RA SIRI BHRUNA BELE TAKU NA DIA MARI"* 

After end of the rally the active volunteers engaged themselves to cleaning of the Jhadaswar temple road enthusiastically. These day really significant for our special camp because we had performed multi activities with full of gear. Then the team came back to the camp, had lunch and took rest for while.

#### NSS CAMP DAY-6. 29.12.2022

On the 6<sup>th</sup> day of the seven day special camp of NSS cell at Borigaon village of Huma Grampanchayat Ganjam. The day began with Yoga session under its daily routine tradition. It was then followed by a programme to create awareness on health and hygiene. Soon after having breakfast the volunteers were divided into different groups, each group visited door to door of every house of the adopted village. Soon in the morning came the health check -up team from nearest Primary Health Centre went and they had an interactive session with all the student volunteers regarding health issues. They gave a free medical check up to all the villagers of all groups of age and helped them to overcome their disease. The doctors also prescribed the health test and medicines for respective problems. They were coordinated by a team of NSS volunteers. The medical team also spent some time with the students and appreciated how they spent their seven days in accomplishing the goal of social adaptivity and harmony along with awareness. They had an interaction over the daily routine of camp volunteers. After that the volunteers came back to the camp, had lunch and took rest.
