### GANJAM COLLEGE, GANJAM

**“WORLD ENVIRONMENT DAY”**

Dt. 05.06.2023

**OBSERVED ON 05.06.2023**

World Environment Day was observed on 05.06.2023 in online mode by IQAC in consultation with the Departments of Botany and Zoology to raise awareness about the theme of this year – “Solution to Plastic Pollution”. An e-Poster was released to commemorate the event with graphics and texts that highlighted the theme of the year. The e-Poster expresses the commitment of the institution towards environmental protection through its environmental policy, especially to make the campus Plastic Free, to protect and preserve the flora and fauna in and around the campus, to adopt energy conservation measures, viable options of using renewable energy and other green measures.

In line with the day's theme and as a measure of raising awareness towards different environmental issues, an online Awareness Quiz Competition was organized in which near about ninety nine students from different departments took part enthusiastically by sharing Google Form link.

<https://docs.google.com/forms/d/1X7VIYNXEOC7d7NcyQYKr5J5btPquCwuovCQdwh1MmTI/edit>

All the successful student participants received e-Certificates. This marks the institution's engagement with pressing environmental issues and its commitment for such future initiatives.
